# TIMING CHAIN KIT

## DISCLAIMER

Depending on the application, the crankshaft sprocket may have a depth of 33mm or 38mm. This is why we have 3 different kits.

GTCK049  
38mm Sprocket

GTCK112  
33mm Sprocket

GTCK114  
Universal Kit

GTCK114 is a universal kit which includes both a 33mm and 38mm crankshaft sprocket.

Only the sprocket matching the one removed from the vehicle needs to be used.

**38mm**

**33mm**
